

The background of the page is a collage of autumn-themed images. On the left, there are several ears of corn with husks partially removed, showing kernels in shades of yellow, orange, and red. On the right, there are several pumpkins in various sizes and colors, including bright orange and white with green stripes. The overall tone is warm and celebratory.

Thanksgiving Blessing

As we gather around the table, we are grateful for the blessings of family, friendship and food that surround us this Thanksgiving.

As we prepare to enjoy our festive meal, we are mindful of those in our country who struggle to put food on the table each and every day. More than 41 million Americans, including 12.9 million children, lack access to enough nutritious food for an active, healthy life.

As we prepare to celebrate and give thanks for all that is good in our lives, let us be grateful for our many blessings, and steadfast in our commitment to ending hunger and its causes.

Together we can transform how it is, into how it should be.

Amen.
